Olympia Volleyball Club is reducing our 2010 dues - returning families receive an additional \$100 discount

The Olympia Volleyball Club is reducing dues for the 2010 Season. The reduction from 2009 will be a minimum of \$125 a year for new players and \$225 for returning families. If the Olympia Volleyball club is able to field more than the six teams we had in 2008/2009 – costs will be reduced further for all families. The more teams we have – the less the dues will be. Travel, uniforms and tournament fees are billed on top of club dues.

Gold Medal Squared Clinic announced for 2009/2010 club members

In our ongoing effort to develop the skills of our players and coaches the club has made the commitment to have a Gold Medal Squared Clinic for all new and returning 2010 players. The clinic will be held at no additional cost. Watch our website for a December clinic date.

Great Coaches, Great Facilities and a professionally run program

The Olympia Volleyball Club strives to have strong, professionally trained and certified coaches. We work to find safe, clean and good facilities to practice in. We work for a professionally run program that develops the talents and abilities of our players.

Pass the word onto kids who might be interested in Volleyball

Our best advocates are our past and present team members and parents. If you are aware of a young girl or teenager who is interested in developing and improving their volleyball skills and being a part of a high quality program, have them call the Olympia Volleyball Club for more information. Our number is 360-250-9827.
